

EXPORTECH

April 26, May 31 & June 28, 2018

EXPORTECH helps companies develop and execute their own international growth plan.

In only three sessions, over three months, you will develop a vetted, actionable export growth plan.

The program includes over 24 hours of personalized coaching from seasoned international business experts.

"EXPORTECH gave me an opportunity to take a more detailed look into the business, see a clear vision of our potential and develop a plan for moving forward."

Why Participate?

- 960 percent average ROI for participants.
- Exporting companies grow twice as fast as those who do not.
- The strategic approach used in the course helps reduce risk and increase success.
